

THE HEALD ADVANTAGE

For more than 145 years, Heald College has been committed to preparing students for academic, personal, and professional success through quality career-focused programs that develop skills to last a lifetime. Because Heald College is an educational institution, it invests in its students by providing small classes and fostering a supportive environment for learning. Heald College is regionally accredited and strives to ensure a top-notch educational experience like no other. Its tradition of superior instruction, student attention, flexibility and lifetime job placement assistance sets Heald College apart from other educational institutions – these make up the Heald Advantage.
